## 17. Verification of Scores

It is the bowler's responsibility to ensure that the correct score for each game bowled is recorded and signed on the official score sheet, which will be used as the official score record. Once signed, the scores shall stand unless otherwise decided by the Tournament Director. If the official score sheet is not signed for any reason, the Tournament Director reserves the right to refuse acceptance of the score sheet.

### 18. Interrupted Game(s)

18.1 The Tournament Director may authorize the completion of a game and series on another pair of lanes when equipment failure on the lanes would delay the normal progress of the series. An interrupted game and series that cannot be completed must resume from the point of interruption.

18.2 In the event of the score of any game is lost and/or erased and cannot be recall and/or traced due to power or equipment failure, the bowler concerned will be required to re-bowl a new game when the power supply resumes or equipment is repaired. However, all scores of completed games that have been recorded in the official score sheet shall remain unchanged.

#### 18.3 Lane Breakdown

If a pair of lanes becomes unusable or unplayable before or during the squad games as determined by the Tournament Director or its assigned official, any available pair of lanes provided by the bowling centre shall be assigned to affected participant(s) or shall wait for the next available squad. In case of machine breakdown during the Masters, vacant lanes shall be assigned to affected finalists. Any interrupted game(s) or series must resume from the point (frame) of interruption. No practice throw(s) shall be allowed.

In the event that a next available squad is offered in place, participants will be given the same amount of practice time as accorded to the rest of the squad.

#### 19. Protest

Protest involving eligibility or general playing rules must be submitted in writing to the Technical Committee not later than 24 hours after the game in which the infraction occurred or before prize presentation, whichever is sooner. If no written protest is filed prior to the expiration period as stated above, the game or games shall stand as bowled. Each protest under this rule shall not be construed to cover a similar or previous violation.

#### 20. Matters Not Provided For

The Tournament Director whose decision shall be governed by World Bowling General Rules & Regulations, shall decide on any matter arising, which is not covered in these Rules & Regulations. Such a decision shall be final, subject only to an appeal to be made in writing to Singapore Bowling Federation General Council within 24 hours of the decision of the Tournament Director.
